

**DORM ROOM, all types**

Name: _____

Remember to take all your belongings with you. If you have added furniture, you must remove it.
This also applies to the common area.

Did you use the check list?	
Do you have a storage room?	
Do you have a bike?	
Does everything work?	

Tips: Ladders can be borrowed, and you can find them on several floors. You can collect magic sponges at the office. The cleaning takes longer time than you think, start early. If you have any questions, just ask. **Follow this check list!**

For SiØ:	
Avvik	
ARX	
Boende	
Utl.	
Klarm.	

For collective: Hall	You must clean your shelves	
For collective: Floor in common area	Must be cleaned by everyone when moving out	

This check list applies to all dorm room types. Everything on the list must be cleaned.

KITCHEN

Kitchen cabinets (in collectives, you are responsible for the cabinets that belong to your room)		
Inside	All shelves, remember corners and the small one below the oven	
Cabinet doors	The whole door, especially around the handles	
Underneath the overhead cabinets	Underneath all of the overhead cabinets	
Door handles		
Garbage bins	If this is in your room	
Kitchen fan		
Filter	Take it out and clean it. Soaking in hot water might help	
The fan	Clean with a clean cloth, sponge or magic sponge	
Stove and stove top		
Stove top	Use a scaper and a sponge, and finish off with a clean cloth, and then a dry cloth for polishing	
Inside stove	Use an oven cleaner and leave it on for 10 minutes and clean with sponge and cloth	
Oven door	The two glasses on the inside of the door must be taken out and cleaned with a scarpener and clean cloth	
Baking trays x2	Use suitable cleaner, a scraper and clean cloth	
Stekerist	Clean with steelsponge	
Fridge (in collective you are responsible for your fridge)		
Fridge and freezer	Remember to turn the fridge and freezer on after cleaning Remember on top of the fridge	
Shelfes	All shelfes must be taken out and cleaned, remember the bottom drawer	
Door	Especially around the handles, remember the rubber strip	
Behind	Some fridges have wheels	
Freezer	If the freezer is full of ice, it must be removed. Put a towel on the bottom, and to make the ice melt faster, you can put in a bowl with boiling water	
Rest of the kitchen		
Kitchen sink	Must be cleaned. Remember edges, corners and drain	
Faucet	Remember to clean the whole faucet, handle, underneath etc.	

**DORM ROOM, all types**

Name: _____

Kitchen bench	Use suitable cleaner and sponge or cloth. Remember the wall	
Wall above kitchen bench	The wall often has stains of grease. Use suitable cleaner and sponge or cloth. Remember to use a dry, clean cloth for finish	
Plinth	The plinth along the floor must also be cleaned	

BATHROOM**(You must clean the bathroom even if the one you are sharing with is staying)**

Toilet	Remember underneath and flush button	
Vent in the ceiling		
Sink	Remember underneath, the drain and faucet	
Shower	Take extra care of the shower faucet and shower head, this is shiny like a mirror when clean	
Drain in the shower	Remember to take it out and clean it	
Shower curtain	Put it in the washing machine at 40 degrees Celsius	
Mirror	Use suitable cleaner and a cloth. Polish with a clean and dry cloth for shiny finish	
Light above the mirror		
Other surfaces	Shelf/cabinet above toilet, light switch, socket etc.	
Tiles	Tiles in the whole bathroom (both walls and floor). The tiles are more dirty than you think. Use your hand and feel the tiles.	
Floor	Especially in the corners and underneath the toilet	
Bathroom door (inside and outside)	Especially around and on the handle	
Door frame	Inside and outside	

ROOM

Mounting plate	Remove dust	
Chair	All surfaces, remember underneath, wheels etc.	
Desk	All surfaces and table legs	
Heater	Front and back	
Sockets	Use a dry or damp cloth	
Light switch		
Bed legs	Pull out the bed for access behind	
Lister	Listene langs gulvet inntil veggen samt over døren	
Window frame	Remember corners	
Window inside		
Window outside		
Cabinets	All surfaces, especially around the handles. Must be polished with a clean and dry cloth for finish	
Shelves	All surfaces, remember corners. Use a ladder to reach the top shelves	
Entrance door, inside and outside	The whole surface, and remember the frame	
Floor		
Vent	Remove dust	
Curtain	Use washing machine at 40 degrees Celsius	
Curtain rod	Remove dust
